

HARD SURFACE CLEANER

Product description: A multi-purpose concentrated liquid cleaner for paintwork.

Technical Characteristics: Remove silicone/waxes etc. Cleans all hard surfaces plus fabric.
Can be used on tiles or for floor scrubbing, cutting through oil and grease.

Directions for use:

Can be diluted up to 4:1 with water.

Apply to the affected area with a handspray, agitate with a scrubbing brush or sponge, wipe off with a clean cloth.

Hard Surface Cleaner is not suitable for cleaning glass.

Information

For professional use only. Always consult the MB Coatings Health and Safety data sheets. Always read the risks and precautions stated on the product label.

The information contained in these pages is not intended to be exhaustive, and all persons using the product without first obtaining confirmation from MB Coatings as to the suitability of the product for the intended use, does so at their own risk. Whilst every effort is made to ensure the information given about the product (whether in this sheet or otherwise) is correct, we have no control over the quality or condition of the substrate or the many factors affecting the use and application of the product. Therefore, unless we specifically agree to do so, we do not accept any liability arising out of use of the product. All information contained in this sheet is liable to modification from time to time, and we reserve the right to change the product in accordance with our policy of continuous product development.
